Participant. Res Corporealis: Material Bodies, May 2008

Volunteer Organizer. Public Action for Change Today, September 2007 – August 2008

PROFESSIONAL EXPERIENCE

Content and Communications Manager

HData | Birmingham, AL (Remote)

February 2026 – Present

- Develop content marketing strategies that drive demand for HData's AI and regulatory intelligence tools among energy sector customers and prospects
- Lead content strategy and execution for new product launches and feature releases, including news releases, blog posts, collateral, slides, videos, and knowledge base articles
- Write HData's customer-facing guides on its AI-powered regulatory research tool, including use-case templates (intervenor research, IRP analysis, regulatory comparison, timeline tracking) that help non-technical energy professionals get reliable, cited output
- Manage editorial calendar and publishing workflow across website, email, and social, including press releases, blog content, campaigns, and monthly newsletter
- Direct webinar strategy and content aligned to business goals; secure speaking opportunities for C-suite at industry conferences
- Position executives as industry thought leaders through strategic media and content placement

Technical Writer-Editor

Federal Energy Regulatory Commission, Office of Public Participation | Washington, DC

October 2024 – February 2026

- Coordinated 10 colleagues using Agile methods to gather data for the office's 2023 and 2024 annual reports; wrote, copyedited, and designed the final reports
- Created and published knowledge base articles and developed scripts for public educational videos delivered by senior leadership
- Led cross-disciplinary teams through data gathering, writing, copyediting, and design for educational products, including explainers, brochures, and flyers

Lead Public Affairs Specialist

Federal Energy Regulatory Commission, Office of Public Participation | Washington, DC

November 2023 – October 2024

- Administered the office's public affairs program, including e-subscription service, 20+ press and news releases, media relations, and public speeches

- Developed and implemented office-wide marketing and communication plans, including media types, brand identity, and multi-platform strategies
- Managed the office's 4 social media accounts through data-driven campaigns and content development, generating +70% engagement and +250% new followers
- Restructured and edited the Office of Public Participation website (25 webpages), generating +50% web traffic
- Developed scripts and slide decks for senior leadership across 10 national conference panels and 2 keynote videos

Public Affairs Specialist

U.S. Access Board, Office of the Executive Director | Washington, DC

February 2022 – November 2023

- Administered the agency's public affairs program and managed external channels, including 4 social media platforms and a news email account, generating +40% social media engagement, +15% web traffic, and +10% email engagement
- Developed agency's Communication and Outreach Plan (via quantitative and qualitative research methods) that included objectives, multi-platform strategies, activities, and key performance indicators
- Organized and executed in-person and virtual public events, including bimonthly Governing Board meetings, briefings, town halls, roundtables, and information sessions
- Corresponded with state and local officials, federal appointees, and disability community organizations to coordinate meetings and presentations at agency events
- Restructured and edited 15+ webpages, driving a +70% increase in web traffic; served as agency spokesperson to media and the public
- Wrote, edited, and distributed 30+ news releases and 20+ informational materials; wrote, copyedited, and designed the agency's FY 2021–2023 Performance and Accountability Reports for delivery to the President, Congress, and the public
- Wrote talking points and speaking scripts for the Executive Director

Technical Writer

U.S. Access Board, Office of Technical and Information Services | Washington, DC

August 2020 – February 2022

- Administered the agency's public affairs program across print and digital channels, including 25+ press releases, 4 newsletters, guest blogs, information sheets, and flyers
- Managed the agency's external communication channels, including 4 social media accounts, 12 webpages, a news email account, and an e-subscription service
- Drafted and edited technical guidance bulletins and policy documents on accessibility standards and guidelines (ADA, ABA, and Section 508)
- Reviewed and edited accessibility standards on public rights-of-way
- Wrote talking points and speaking scripts for the Executive Director
- Coordinated media inquiries and scheduled interviews for the Executive Director and staff
